CENTENNIAL CITATIONS PRESENTED AT BANQUET

Members of the Drayton Valley and District Centennial Committee were honored at a banquet in the Cardium Room Thursday evening.

Chairman for the evening was Mayor Robert Findlay who introduced the head table guests. Among those present was Mrs. C. R. Wood, former MLA for Stony Plain Constituency, who performed the official opening ceremony of the Centennial Civic Centre in May of this year.

Mr. Ralph Jespersen, MLA, brought greetings from the Provincial Government and spoke briefly on the success of Centennial activities throughout the area and prov-

ince. Mr. Jespersen, as the newly-elected M. L. A., also took an active part in the spring and summer Centennial activities in the area.

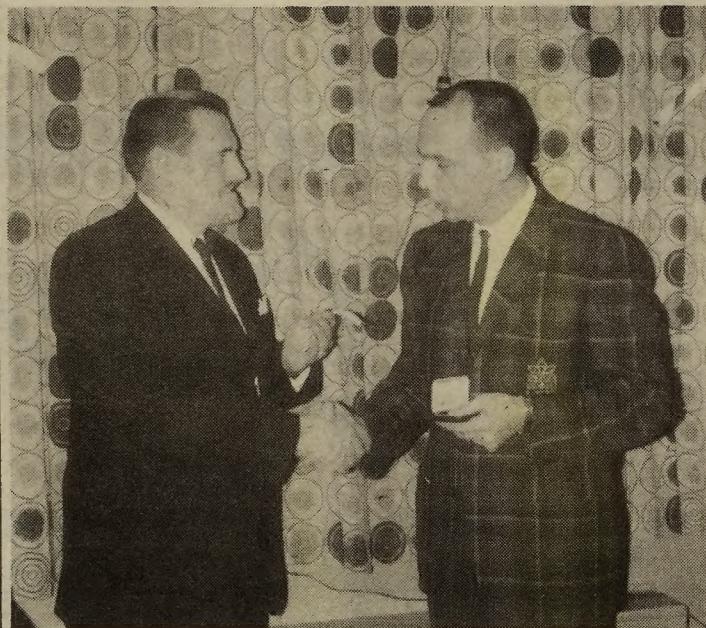

Centennial citations from the Provincial Government were presented by Mr. Jespersen to members of the Centennial Committee, most of whom were present for the occasion. The achievement awards recognize the outstanding efforts of citizens in the celebration of Canada's 100th birthday.

A special award of the Federal Centennial Medal was made to former mayor Howard Pickup for his contribution to the Centennial celebration.

Mr. Bud Salloum, Provincial Centennial Director, is making the presentation congratulated Mr. Pickup for his individual effort and enthusiastic support of all Centennial undertakings.

A book of clippings, photos and other Centennial information has been compiled and was presented during the evening to Mayor Findlay by Ray Wickens, Chairman of the Centennial Committee. The pages of the book, enclosed in plastic, will provide a permanent record of Centennial Year in Drayton Valley and area.

In making the presentation Mr. Wickens stated that although members of the com-

Former mayor Howard Pickup (left) is shown above accepting the Federal Centennial Medal presented by Bud Salloum, Provincial Centennial Director. The presentation was made to Mr. Pickup at a banquet in the Cardium Room Thursday evening.

Thurs., Dec. 21 - Open to 9:00 p.m.

Friday, Dec. 22 - Open to 9:00 p.m.

Sat., Dec. 23 - Open to 6:00 p.m.

**Closed Sunday, Monday and Tuesday,
December 24, 25 and 26**

mittee received recognition for their efforts there were many more people involved whose help during the year should be noted. In this regard he mentioned members of sub-committees, individuals and organizations, without whose active support the Centennial celebrations would not have achieved such a great degree of success!

A delicious roast beef dinner was enjoyed by all present and the evening concluded with the showing of "West to the Mountains" by Mr. Salloum.

Cancel Meeting Chamber Executive

The regular monthly meeting of the executive of the Drayton Valley and District Chamber of Commerce has been cancelled for December. The meeting would normally have fallen on December 21st but has been put aside because of the many Christmas activities.

Next session of the Chamber will be the general meeting on Thursday, January 4th.

Keep Defensive Driving in mind and enjoy the holidays.

CHRISTMAS

Message

As I sit in my office and ponder on the thought as to what I should write for the Western Review I can hear music and song from the outside. I open the window a little - though it is night and the wind is a bit chill - and sure enough, coming from up town the music and song of "Joy to the World, the Lord has Come" are being wafted, clearly now towards my church, and indeed towards people, the people of Drayton Valley and other churches also. I ponder and ponder and ponder and then I ask myself questions.

If we think at all, should there not be questions when we celebrate Christmas in such a world as this? Surely this Season, above all others, is a time of gladness but there are many hearts heavy with the burden of the world's pain and grief. It is the time of laughter of little children, but millions upon millions of children are naked, cold and hungry. It is a time of love and giving but there are not too many of us to love those homeless ones of earth and fewer still reaching out hands to help to give the food and care that mean life.

My church, the United Church of Canada, raised eleven millions of dollars for missionary and maintenance projects in 1966 and much of this money went to feed and clothe the poor of the earth in Korea, in Hong Kong, in India, in South America and many other geographical centres. In 1967 it is almost definite now we will not reach our goal, and yet there are more poor and hungry, more suffering and homeless people than ever before crying to God "out of every nation and kindred and tongue". Christmas is a time of feasting and joy, but there are the faces of those that know no joy and to whom food comes not as a feast but as a crust of bread or a bit of contaminated meat.

Yet it was for these poor that Christ proclaimed the way of abundant life. It was these poor, these starving, these suffering ones that He loved most and for whom His heart broke with grief when He saw their plight.

Let us face the facts, we self satisfied, proud apathetic, often cynical modern Canadians. We will in all probability, with self satisfaction, dine and wine to excess this Christmas while millions of God's children cry out in pain and hunger for bread and have none.

The Christ of Bethlehem speaks of love, but we are not yet ready to love; He speaks of brotherhood, but there is the world of competition; He speaks of peace, but there is not peace.

We shall be judged this Christmas time as we go back across the years and stand before the manger born Christ. How we act concerning Him is our judgement. We can be like that inn at Bethlehem and close our souls against His coming. We can shut our ears against His teaching and harden our hearts against His spirit and in rejecting Him we pass the judgement of doom upon ourselves, the poor and the needy, and our world.

Rev. E. Martin,
United Church.

KEEPHILLS NEWS

MRS. G. RAYMOND,
Correspondent.

Who wins a booby prize fair and square? Pat Vanderwell won one at whist on Saturday night by playing 16 hands without moving out of her seat - Fair and square.

More than a half inch of rain fell here on December 9 causing very icy roads. Ken Bryant did not drive his school bus on Monday and Adrian Charlet never ran his on Tuesday. Several children were out of school, cars were in ditches and telephone lines were disturbed by the hard winds.

Mrs. Schweitzee spent a week in Edmonton visiting some of her family and friends.

Guests at the Dalton home on Sunday were Flora Porter and Gerald and Sandy Porter from Leduc.

Grace Bailey and Wendy Strassburger celebrated their 3rd birthdays on December 10.

May all the peace, happiness and blessings of this holy season be bestowed upon you and yours. A very Merry Christmas to one and all.

EDITORIAL COMMENT

End of Great

Canadian Year . . .

Centennial Year is only a week from its end -- a tremendous year for Canada and its people. A year that saw a new sort of Canadian image and a new pride in Canada born in the major centres and smallest villages from coast to coast.

Hopefully, the enthusiasm for our 100th birthday will continue into 1968 when some of the problems threatening national unity will be ironed out and Canada will meet the challenge of the 2nd hundred years strong and proud, one nation stretching from Atlantic to Pacific.

The year has been a good one for our own community. Our many Centennial projects went over well and people in Drayton Valley and surrounding districts entered wholeheartedly into the spirit of the occasion.

Much credit for the success of Centennial projects here goes to the small group of citizens who made up the Drayton Valley and District Centennial Committee and its sub committees. Many organizations and individuals met the challenges of Centennial Year as they arose and also deserve a share of the credit for success.

But without the energetic coordination of the very active Centennial Committee our endeavours could have been less than the success they were. We're sure we speak for the majority of citizens in saying: "Congratulations and thanks for a job well done."

Edmonton's Hours

Concern Others . . .

All the noise out of Edmonton in recent weeks on the subject of shopping hours probably has many people throughout north-central Alberta wondering just what the effect will be in the area when, and if, the row is finally settled.

At one time, across the length and breadth of the country, it seemed that everything was shut up tight on Wednesday

afternoons. You knew this and were prepared for it. Now every community has its own ideas on closing and opening and there appear to be almost as many different solutions as there are days in the week.

We don't suggest Wednesday as the best closing day of the week but we do wonder just where we lost the common agreement and will we (or do we want to) get back to business hours recognized by all?

Smaller communities living in the shadows of the larger centres are faced with the problem of deciding whether it is to their advantage to adopt the hours of the cities or open and close at different times. The Edmonton decision is likely to promote a lot of thought in this regard and some shuffling of hours by those on her doorstep.

Joyous Message

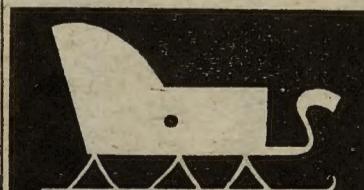

Lives Anew . . .

"Silent Night, Holy Night, all is calm, all is bright." Christmas is for prayer and peace; Christmas gleams with the light of the Star that shone so brightly nearly two thousand years ago. And throughout the world, the deep spiritual significance of the holy season spreads comfort and cheer.

At Christmas, as Christians everywhere celebrate the birth of Christ, the story of the Nativity is told and retold -- but it never grows old. The well known story seems to resound with renewed meaning and inspiration, bringing to all some measure of the awe and wonder experienced by the shepherds and the wise men long ago.

In the miracle of the manger, in the Madonna and Child, mankind sees an ever-present reminder of the love of God, the glory and promise of Christmas. Each year, as Christians return in heart and spirit to Bethlehem and the manger, the joyous message lives anew.

Resident of Seba Beach Dies Recently

Thomas Charles Shaw, 73, of Seba Beach, passed away recently.

He was born in Ontario and came west with his parents at an early age. They settled in the Fort Saskatchewan and Lamont districts.

A veteran of World War I, he was awarded the Military Medal for his service with the 49th Battalion from Edmonton.

He was an employee of Silverwood Dairy for 15 years before his retirement in 1960.

Survivors are his wife, Florence; three sons, Wallace and William of Edmonton and Cecil of Port Alberni, B.C.; three daughters, Mrs. Daphne Bentley of Montreal, Mrs. Audrey Christoffee of Edmonton and Mrs. Florence Carrigan of Prince Rupert; one step son, Wayne English of Edmonton; three step daughters, Mrs. Olive Thatcher of Berrymoor, Mrs. Wilby Crawford of Houston Texas, and Mrs. Loraine Loberg of Fort Nelson, B.C.; three sisters, Mrs. G. Ferguson, Mrs. W. Growers and Mrs. J. McLean all of Edmonton; 33 grandchildren and one great grandchild.

Tourist Income Over \$1 Billion

OTTAWA--Trade Minister Robert Winters recently announced that tourist income from visitors to Canada will total close to \$1,250,000,000 in 1967.

"Over the first nine months alone, visitors to Canada spent \$1,100,000,000--well above our Centennial Tourism Target of \$1 billion, with three months still to go," Mr. Winters announced on the basis of figures specially prepared by the Dominion Bureau of Statistics.

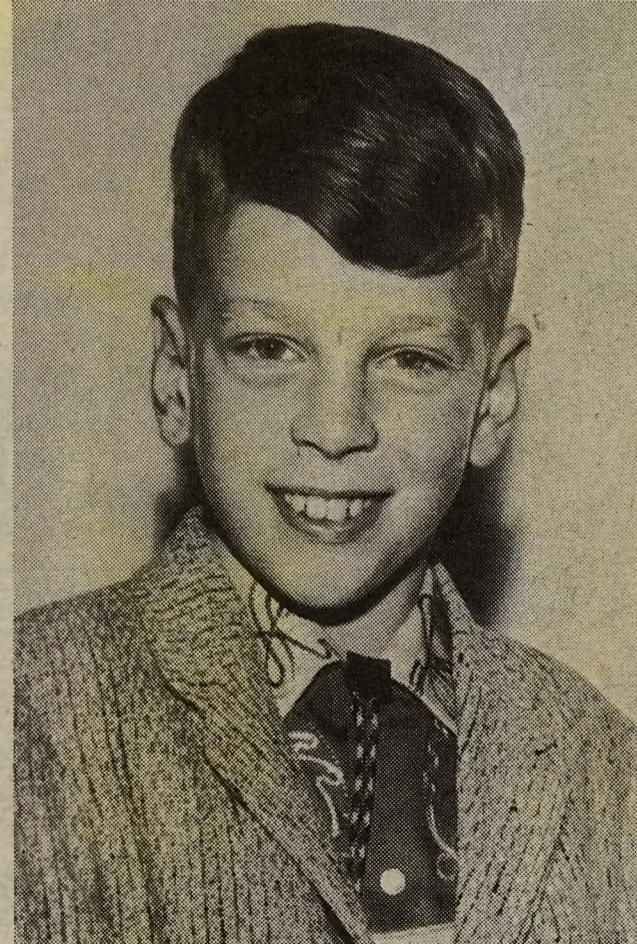

"We expect that when the full year's returns are in our total tourist income from foreign visitors will have been close to \$1,250,000,000--\$400 millions more than in 1966."

"At the same time, Canadian travellers in other countries will have spent less than last year's \$900 million total."

"We therefore expect a surplus on travel account of \$350 millions to \$400 millions--a welcome change from the 1966 deficit of \$60 millions or the \$200 millions deficits that were the rule at the turn of the decade," Mr. Winters said.

Proudly introducing Another Alberta Junior Citizen of the Centennial Year!

DEAN WOLFE, Beiseker

On June 5, quick-thinking Dean Wolfe, aged 10, saved his brother Gary's life. 5 year old Gary fell and was run over by the rear wheel of a tractor. His chest and stomach were crushed. When his mother moved him from under the tractor he appeared unconscious with no sign of breathing. Dean immediately gave Gary mouth-to-mouth resuscitation. Soon Gary was breathing and crying. He was alive! His rescuer, Dean, has been a Cub Scout for three years.

We congratulate Dean Wolfe and thank Alberta's Weekly Newspaper Editors for their active participation in the Alberta Junior Citizen of the Year program, sponsored by Alberta's investor-owned electric utility companies.

This is one of a series of Junior Citizen Award announcements. Our special thanks to George Wheeler, Editor of the Acme Sentinel and to Dean's nominator, E. M. Hagel of Beiseker.

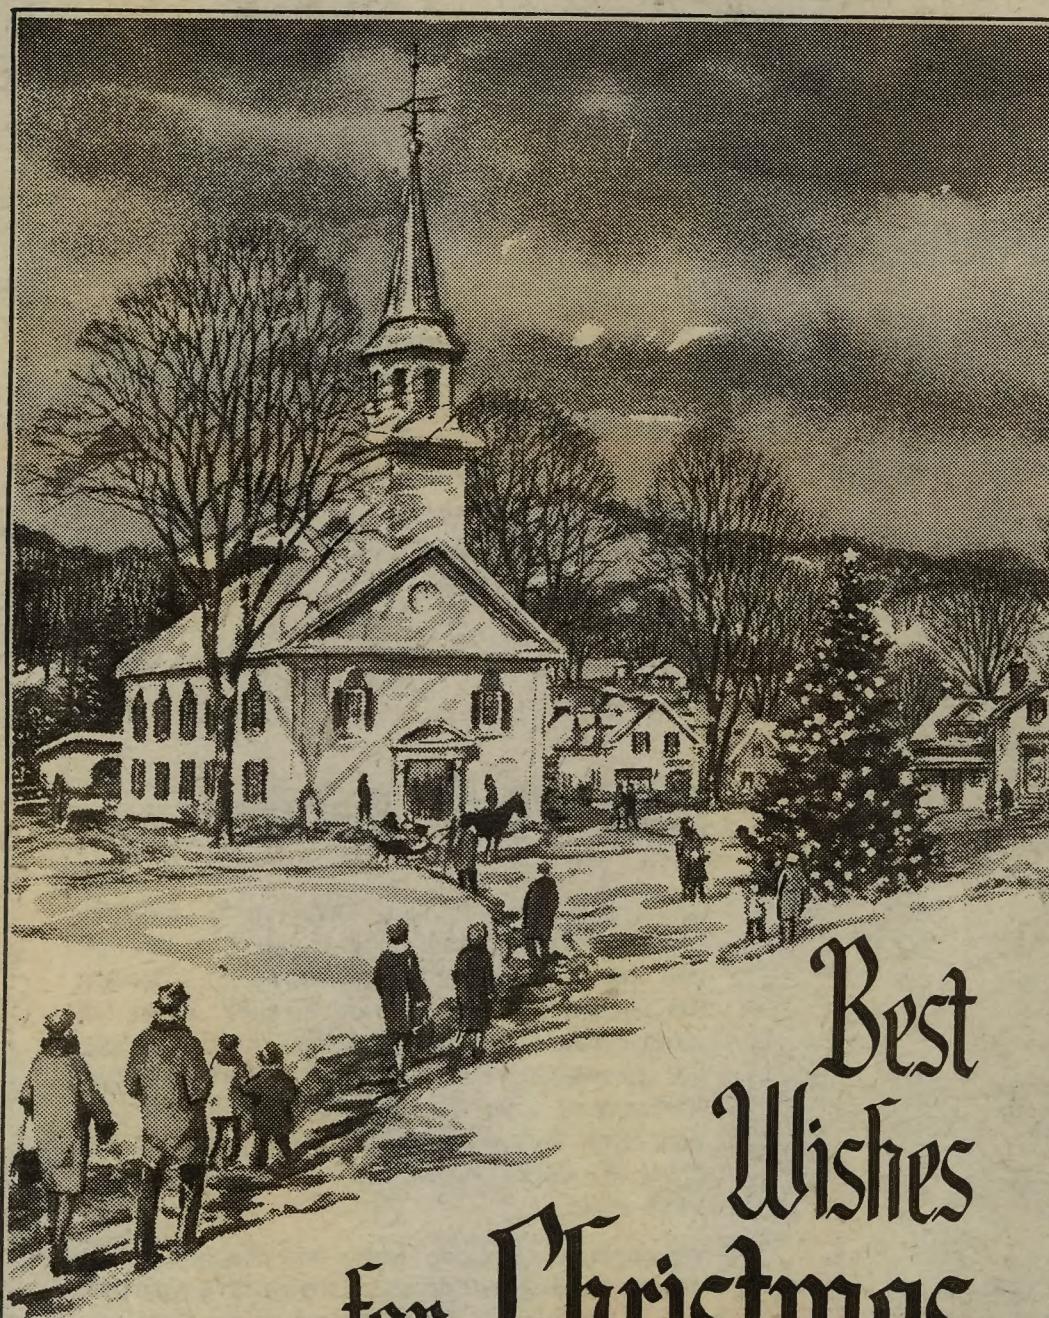

CALGARY POWER LTD.

Proud of our Alberta Heritage

Some of the members of the Drayton Valley and District Centennial Committee who received Provincial Government Centennial Citations at a banquet in the Cardium Room last Thursday are shown above. From left to right: Willie Dusterhoft, Doug Barnes, Clayton Rosenberger, Brian Gooding, Frank Hoge and Ralph Jespersen, MLA, who made the presentations.

As we celebrate this joyous occasion of the birth of the Christ Child, let us remember especially the hope that was born anew and the love that filled the world on that first Christmas. May their light shine today, so that peace and understanding will prevail among men.

Warriors Undefeated In League Play

The Warriors came home with what proved to be an unexpected 69 - 10 win over the Winfield Boys High School Basketball team. This was the same team that was the most challenging to the local team last year. After only a week and a half of Pembina League competition the Warriors remain the only undefeated team in the league.

Doug Ibbetson again led the Warriors on the scoreboard with a fine 25 point effort. Keith Sodergren and Ken Buryko contributed 12 points each. In this game as in others the Warriors have been getting good basketball control from Ken Buryko, Don Boushard, Ron Cameron, Larry Metelski and Stan Oulton.

Playing well for the local club has been left forward Keith Sodergren, a grade ten student who came to the Warriors from the fine St Anthony's junior basketball club. He is the team's second highest scorer this season with 46 points. Keith is not only a fine addition to the local club but also to the Frank Maddock High School.

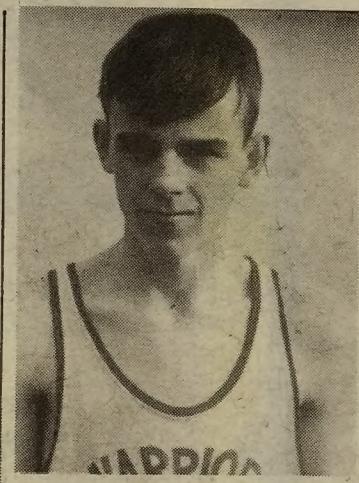

Tonight the Warriors will be clashing with their traditional rivals from Warburg. This game is bound to be action packed as the Warriors will be out to overcome the Warburg determined and hustling press. Game time is 7:00 p.m. at the Frank Maddock High School Auditorium with the Warriors sister team, the Warriorettes, playing last year's league champion Warburg girls team.

The boys are looking for their sixth straight win with play at 8:15.

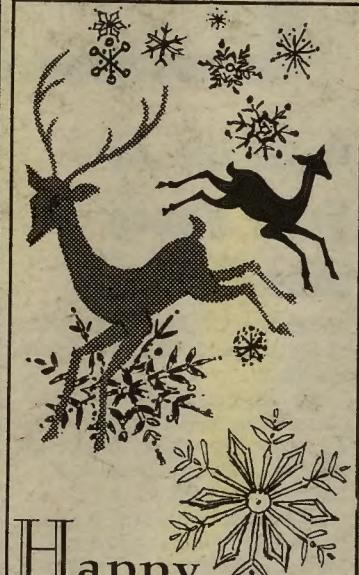

No Paper Next Week

There will be no issue of The Western Review during the week of December 25 to 30th. Next issue will be Wednesday, January 3rd.

It is a funny thing about life--if you refuse to accept anything but the best, you very often get it.

Keith Sodergren

Health Hints

from
THE CANADIAN MEDICAL ASSOCIATION

Vaccines are designed to prevent, not to cure, illnesses. The Canadian Medical Association reminds readers.

There are more than 100 known viruses or other germs, any one of which may cause a cold. More types of viruses and germs are being identified every year. A vaccine prepared against one of these germs, might stimulate the body to manufacture antibodies that would prevent him from getting a cold caused by that one germ. BUT it won't protect him from the other 99. Another problem is that immunity thus created is not permanent, it generally lasts only a few weeks or months.

There are on the market

the so-called polyclonal vaccines, which are a mixture of several of the most common known causes. However, the person who has received this vaccine is protected only temporarily from some of the common germs known to cause colds.

Remembering these limitations, it is recommended that persons with chronic chest conditions, such as chronic bronchitis, emphysema, or any chronic ailment, that might be aggravated by a cold, ask their doctor about cold vaccines.

Statistics show that in industry, time lost due to colds can be substantially reduced if all personnel receive poly-

valent cold vaccine during the autumn.

In summary, the C.M.A. advises that not all colds can be prevented through the use of vaccines -- but the vaccines do help and are advisable for some groups of people.

When a doctor's wife stopped to mail a letter in a curb-side box, a man jumped into the back seat of her car, where he was bitten by her dog. As he fled, she called after him with solicitude becoming a medical man's lady. "If you see a doctor, tell him the dog has had his rabies shots."

The young plumber complained to his boss about the fast pace of work.

"This is nothing," the old-timer assured him. "When I was an apprentice, the boss would let us lay the first two lengths of pipe and then he'd turn on the water and we'd have to stay ahead of it."

Peace

good will to all men, at Christmastide

Amid the hubbub and commercialism which now surrounds our Christmas it is all too easy for us to forget that Christmas really has quite a different meaning than just a time full of hustle, bustle, expense, Santa Clauses and colored lights.

Let us remember that at this time we are commemorating the time when God Almighty entered human history, being born of the Virgin Mary.

We should be celebrating the birthday of The Christ Child at this time. Never in this world's history did any event occur that could compare with this occasion nearly 2000 years ago.

Let us remember the real meaning of Christmas, and make a little time this year to worship.

We wish a merry Christmas to all

How Months and Days Got Their Names

CALENDAR comes from the *calends*, or first days of each month in the chronological system Romans evolved in centuries before the Christian era. Originally there were ten periods per annum, designated for gods and numbers: Martius, Aprilis, Maius, Iunius (Junius), Quintilis, Sextilis, September, October, November, December. Later years were figured as twelve periods, corresponding to lunar cycles. But these all added up to 355 days, and the 10½ day error in yearly accounting eventually necessitated a reform effected in Julius Caesar's time. This, too, proved inaccurate, and a second correction was put into effect in the 16th

century for Roman Catholic peoples by Pope Gregory III. But this Gregorian calendar was not adopted by predominantly Protestant nations until the 18th century, and not accepted generally around the world until later. Still, most of the Roman designations for the months survived the reforms or changes.

Before the 7th Century, B.C., when the Roman calendar had ten months, the year was calculated to begin with Martius, named in tribute to the god Mars. Considering March as beginning of a year was logical in an area where the month brought a signal rebirth of nature after a deadness of winter.

In expanding the *calends* to twelve,

as astronomical knowledge grew, Januarius and Februarius were inserted between December and Martius, and January 1 marked the beginning of terms of consuls and other officials. Januarius was derivative of Janus, a two-headed deity assumed to look both backward and forward.

Februarius came from the Latin *Februa*, time of expiation and purification, an early coefficient of Lent, for Romans in dutiful mood of repentance of excesses during the festive season of January.

Before the Roman calendar was impressed by the Roman church upon the western world, the lunar cycle corre-

sponding to March had—as did other months—a variety of names among peoples. To Saxons it was *Lentmonat*, because then the length of days began to exceed that of nights. The Saxons' nomenclature for days came down to modern calendars via Saxon influences or the English language.

The Roman reason for choosing Aprilis as a name for the month is debated. However, it was appropriate; the Latin word *aperire* means 'to open,' and this period was a time of the opening of buds and leaves in Rome.

It is tradition that Maius honored the Majores, or upper division of the Roman Senate, and Iunius (Junius) the lower, or secondary division.

As indicated above, our seventh month was originally Quintilis (fifth) in Roman calculation. During the rule of Julius Caesar, it was renamed in his honor.

Another modest fellow, Augustus Caesar, was not adverse to a month's being named for him, provided it had as many days as Julius'. Therefore Sextilis became August.

There have always been persons who oppose change, no matter how logical. Repeatedly, the Majores and Juniores tried to legislate new names for September, October, November, December. Germanicus, Antonius, Faustina, Hercules, Commodus, were proposed as substitutes. The people would have none of them.

Sun was highest of Saxon deities, hence the first day was Sunnandaeg.

Monday originated as Monandæg, in a tribute to the moon.

Tuesday got that designation from Tiw, the Saxons' god of the skies.

Wotan's-day, or Wednesday, honored the Saxon's deity of combat.

Thursday was originally Thor's-day, for Saxon deity of air and light.

Friday was named for Friga, the Saxon equivalent of the Roman Venus.

Saturday derives from Saeter, god of water-power (note the wheel).

CHRISTMAS Message

Dear People of Drayton Valley and District:

May my message this Christmas be brief. I would like to thank the following: the Mayor and Council for guiding us these past years; the dozens of coaches spending their time in softball, baseball, football, swimming and hockey; all the mothers

and fathers who are helping in the numerous youth organizations; other who have made this such a wonderful town to live in.

It's a pleasure to know you and to live side by side with you.

Sincerely,
Fr. Lynch.

Earl and Ella Kelly

A Look At The Western Review Files

January 4

New Year baby at the Drayton Valley Municipal Hospital was born to Mrs. Alex Pacholko of Breton at 11 minutes after 2:00 a.m. January 1st. On the stroke of midnight, December 31, bells and carillons across the land pealed out in salute to the dawn of Canada's Centennial Year.

January 11

The Board of St. Anthony's Separate School announced this week plans for the building of additional class rooms. McCarter Construction has been awarded the general contract for construction of a new business block located between the Bus Depot and Government Liquor Store. New president Jack Bright and newly-elected officers of the Chamber of Commerce were in office for the first meeting of the new year.

January 18

The centennial program in the area will be reviewed at a meeting in the Civic Centre next week. Word has been received in Drayton Valley to the effect that Dr. D. L. Kreycik and family are leaving North Platte, Nebraska, in a few days to make their new home here. George Goss and Sherold Moore are being transferred to Calgary by Pan American.

January 25

The Choralaires, under the direction of Dick Humphreys, will be on the TV Telestar program in the near future. Heads of committees were named at a well-attended chamber meeting last Thursday.

February 1

Official opening of the new Block's Store will be held February 2nd. Ken Landers has been named president of the Pembina Oilfield Fish and Game Association. A Drayton Valley High School rink of Gary McMorris, Allan Mattoon, Dave Disney and Paul Joyce won the Zone 16 finals and will play in the Edmonton series.

February 8

Drayton Valley Lions celebrated the tenth anniversary of the club at a charter night February 3rd. Work has started on additions and renovations to the Drayton Valley Municipal Hospital. Rev. R. E. Kemp, newly appointed minister of the Drayton Valley Pentecostal Tabernacle, is moving here from Winnipeg this week.

February 15

About twenty ranchers and farmers from this area met last week and formed the West Alta Livestock Breeders' Association. Ralph Jespersen, a Spruce Grove dairy farmer, defeated veteran campaigner Mrs. C. R. Wood, to win the Social Credit nomination for Stony Plain Constituency. Mr. and Mrs. Mike Vowk of Easyford were honored last week on the occasion of their 50th wedding anniversary.

February 22

Drayton Valley was visited last Saturday by representatives of St. John's Cathedral Boys' School of Selkirk, Manitoba, who are investigating sites in Alberta for the establishment of a second school. Mr. Jack Mosdell, manager of the Hudson Bay Store here, has been transferred to the company head office in Winnipeg. Three Drayton Valley men, David MacLure, Dave Ellery and Archie Griffith, have been selected as members of the Alberta Centennial Canoe Team.

March 1

The Bill Keely rink of Edmonton took honors in the annual bonspiel last weekend. Five thousand Centennial souvenir dollars were received by the Lions Club this week. About a dozen ratepayers were present for the town annual meeting. Demolition of Blocks Store, a landmark since 1936, is underway this week.

March 8

Fire Monday afternoon destroyed the premises of Oil King Motors Ltd. Canada suffered a great loss Sunday, March 5th in the death of Governor General Georges P. Vanier. Copeman's Shoe Store changed hands March 1st and will now be operated as Adam's Shoe Store. Calgary Power Ltd. has announced plans for a large power generating station at Sundance on the south side of Lake Wabamun.

March 15

Drayton Valley Oil Wives Club celebrated its ninth birthday last week. The Higgins Rink of Hinton won first place in the ladies bonspiel held last week. Reports of sub-committees at Wednesday's centennial meeting indicate progress and rising enthusiasm for the year's events.

March 22

Maurice McCullagh won the nomination as NDP candidate in the next provincial election. Drayton Valley Huskies won first place in the junior high basketball tournament here Saturday. A cattle population estimated at about 88,000 is reported in the area served by Sekura Auctions.

ected as the site of a new Anglican boys school.

June 7

Outstanding student awards were won by Ray Letwiniuk and Eunice Toews at the annual high school awards night. Lodgepole Lions held their first Charter Night Friday. Mr. Jack Pickett took over as manager of the McLeods Store here June 6th. Centennial tree planting program is under way at Frank Maddock High School.

June 14

The County of Leduc has announced its intention of seeking annexation of land west and southwest of the existing county boundaries. Mr. A. E. McCormick of London, England, who has spent the last two years travelling around the world, was a visitor here last week. Two local residents, Mrs. Lil Ross and Mrs. Grace Janzen, have written songs as individual centennial projects.

June 21

Drayton Valley U.F.O.'s (Unidentified Floating Objects) were released in the river this week as a Centennial project to help publicize the community along the river route. Brownies, Guides and Rangers held their annual Mother and Daughter banquet June 15th. Elementary School students held their annual track meet June 8th.

June 28

Rudolph Zander of Tomahawk has been named Reeve of the M. D. of Stony Plain. Fred Kaarsemaker was installed as Lions Club president June 20th. Also installed in office for a second term was Mrs. Vera Hazzard as Honored Royal Lady of the Drayton Valley OORP. Two new constables Ronald Criggle and Bryan Crerar have joined the Drayton Valley Municipal Police Force. Alder Flats 4-H Beef Club held its achievement day June 9th.

July 5

Two district boys, Ralph Shadick and Irvin Combs, were drowned Monday afternoon in a farm dugout one mile north of Rocky Rapids. Beautiful summer weather greeted the Centennial Caravan at stops last weekend in Evansburg and Drayton Valley. The weatherman smiled on Tomahawk Saturday and the village was crammed with people for the annual Dominion Day sports and parade. A small aircraft made a forced landing on the Pembina River at the Burki farm last week.

July 12

Dr. J. M. Brown is leaving the Edson Health Unit for a position at Deerholm in Red Deer. The Red and White Store has changed hands and will be managed by Mr. Earl Cummins. The Rotary Park was officially opened Saturday evening. The Choralaires, at a meeting Wednesday, bid farewell to their conductor, Mr. Dick Humphreys, who is leaving for Vauxhall. The annual Buck Lake Stampede was held July 12th. Over 500 persons attended the Junior High Awards night Thursday. Sundance 4-H Beef Club held its Achievement Day Friday. Dr. Arnold Voth is joining the staff of the Medical Centre.

July 19

Three-year-old Kenny Vanderleest of Drayton Valley was found safe Monday after being lost for over three days in heavy bush country near Hudson Hope, B.C. Terry Kremeniuk showed the Grand Champion Calf in the combined 4-H Achievement Day held here. Up to Monday, 39 of 91 D.V.U.F.O.'s had been recovered from the river between here and Edmonton. Twenty-four young people from Sidney, Nova Scotia spent last week visiting in Drayton Valley and surrounding area under the Centennial Youth Travel Program.

July 26

The Maverick Roping Club got a break from the weather and the first annual Klondike Stampede was a success. A Michigan team of Verlin Kruger and Terry Norris were first into Drayton Valley (in the rain) in the Whitewater Canoe Race. David Banks of Calgary won the annual cross-country race Saturday. Mr. Henry Toews has been appointed Superintendent of the Stony Plain School Division. The Centennial Park at Moon Lake was officially opened July 8th. The Rotary Antique and Hobby Show, held in conjunction with the Klondike Stampede, proved very successful.

August 2

Plans have been announced for the construction of a 14-suite apartment here. Nickel Supermarket has changed hands with the new owner Mr. John Getzinger taking over August 1st. An unusual hairless calf has been reported on the George Van Ember farm at Berrymoor. Alberta 4-H clubs celebrated their 50th anniversary August 2nd.

August 9

Former residents of Entwistle from far and wide were in the village in large numbers last weekend for the Centennial Reunion. Plans for the construction of a gas processing plant on the Brazeau River west of Drayton Valley have been announced by Hudson Bay Oil and Gas Company. Several families from Drayton Valley took part in the annual David Thompson Cavalcade to the Kootenay Plains west of Nordegg last weekend.

THE YEAR IN RETROSPECT

March 29

Stony Plain School Division has estimated a possible expenditure of \$2,207,613 this year. A new gymkhana club, Pembina River Riders, was organized at Evansburg last week. A spring art show was held at St. Anthony's Thursday.

April 5

ARDA representatives will attend a meeting at Tomahawk. Two Wildwood youths were killed Sunday in an automobile accident near Evansburg. Crows and geese have returned heralding the arrival of spring. Tomahawk Community Library will celebrate its tenth anniversary on April 25th.

April 12

The Drayton Valley Rebels defeated Hinton Hawks 5-3 Saturday to sweep the finals for the N.W.H.L. championship. The Ice Carnival held here Saturday night has been declared the most successful ever. Barney McGlone has been named president of the Evergreen Tourist Association.

April 19

Cheryl Pederson of Lodgepole has won the Drayton Valley Rotary Club trip to Ottawa. The first annual bull sale sponsored by West Alta Livestock Breeders Association will be held next week. A provincial election has been announced for May 23rd. A centennial banquet was held at Warburg Friday. Bert Telford has been elected president of the Drayton Valley Curling Club.

April 26

The Rotary Club celebrated its 12th anniversary Friday evening. Mr. Ken Retallack, formerly of Rocky Mountain House, has taken over as manager of The Bay store here. Air Cadets Ronald Cameron and Fredrick Kaarsemaker have been selected to attend the Centennial Exchange Camp at St. Jean, Quebec.

May 3

District 12 Convention of OORP Lodges was held at Entwistle Saturday. Twenty-one bulls were sold at the first annual bull sale held here Saturday. Preliminary plans are being made for an amateur rodeo to be held here this summer.

May 10

Ice jams in the North Saskatchewan are slowing a B.C. canoe team on a cross-country trip. A bear mauled a cow a few hundred yards from the house on the Mahon and Wood Ranch Saturday evening. Fifteen-year-old Glenna Horvath saved her five younger brothers and sisters when fire destroyed their home. Alder Flats residents are planning a big day to mark the arrival of the Canoe Pageant there. A new business, Gamblins Taxi, went into operation last week.

May 17

About 600 persons attended the Lions Club \$2000 bingo. Jean Ward has been named president of the Oil Wives Club. Mickey's Equipment opened officially last Saturday. A Centennial tree was planted at the United Church Sunday. The communities of Entwistle, Evansburg and Drayton Valley are represented in the band formed recently.

May 24

Ralph Jespersen, Social Credit, was elected in the May 23 provincial election. The Stony Plain Municipal Council will approach the Minister of Municipal Affairs with a request for a change to county status and annexation of I.D. 77 and portions of I.D. 78. The Scona Tire warehouse was damaged by fire Tuesday. The new coffee bar in the Drayton Bakery opened recently.

May 31

A crowd estimated in the neighborhood of 4,000 gathered on the banks of the North Saskatchewan River Thursday to greet the arrival of the Centennial Canoe Pageant here. The Centennial Civic Centre was officially opened by Mrs. C.R. Wood Thursday evening. Percy Wells of Edson won the Drayton Valley Open Golf Tournament. Pembina scouts attended a Camporee at Evansburg last weekend. Genesee has been sel-

Merry Christmas

Rosy cheeks sparkling eyes, happy voices...children in anticipation of everything that Christmas brings: the family tree, stacks of presents, bells ringing out sweet carols, stockings filled with goodies, Santa Claus...and the solemnity of each tiny creche. Watching the delight, the awe, the wonder in a child's face is knowing the Spirit of Christmas. To all, our sincere greetings of the season plus our gratitude and thanks.

THE YEAR IN RETROSPECT

ers of the 1967 class.... High winds Friday fanned brush fires burning at many locations in this area.... Considerable damage was caused by a fire at the Ambassador Motel Monday.... Senior Citizens were honored at Carnwood on September 13th.... Sportsmen had an opportunity to try their hands (or lungs?) at moose calling at the regular Fish and Game meeting.

October 4

Black leg in cattle is reported quite widespread in the area.... Bertie Beaver, and the school conservation tour, visited Drayton Valley this week.... Official opening of the Entwistle Livestock Co-op took place Tuesday morning.... Carl Josch of Whitecourt won the Drayton Valley Men's Invitational Golf Tournament September 23rd.... Social Creditors have decided not to field a candidate in the forthcoming Jasper-Edson by-election.

October 11

Miss Margaret Hammerlindl was presented with the Gold Cord, the highest honor in Guiding, by the Lieutenant Governor.... Lanny Allen of Violet Grove, who is confined to a wheelchair, is one of the winners of a .22 rifle in C.I.L.'s "Shoot to Win" contest.... Mrs. Eileen Dunn has been elected president of the Alder Flats Home and School Association.

October 18

A revival of interest in civic affairs is indicated by the attendance of about sixty persons at an election forum Monday.... The Lariat Gymkhana Club will hold its trophy banquet Friday, October 20th.... Miss Carole Kruger has been selected to attend the Rotary project at Lethbridge.... Drayton Valley Rebels have been accepted in the North Central Alberta Hockey League.... Ann Crough has been elected president of the Ladies Curling Club.

October 25

A record was established when 578 of the town's estimated 1200 eligible voters cast ballots in the civic election. Robert Findlay was elected mayor, and W. Rose and N. Swensied, town councillors. Claude Albert was elected to the Separate School Board.... Shannon Campbell of Magnolia won the Governor General's medal in the Stony Plain School Division.... A score clock purchased by the Rotary Club as a Centennial project, is being installed in the arena.

November 1

A joint banquet of the 4-H Clothing Club and 4-H Beef Club was held at Tomahawk October 27th.... Pembina River Riders awarded trophies at their wind-up banquet in Evansburg Friday....

The new curling season started with a masquerade Bonspiel over the weekend.... The canvass conducted recently raised slightly over \$300 for the work of the Canadian Bible Society.

November 8

After accomplishing successful flights last Sunday the home-made gyro-copter built by three local men cracked up Sunday and was damaged extensively.... Doug Caston, publisher of the Edson Leader, retained the Jasper-Edson seat in the House of Commons for the Progressive Conservatives in Monday's by-election.... The Stony Plain School Board will prepare a brief to the Department of Education requesting permission for a vocational wing in Drayton Valley.... Another U.F.O. has been reported in the area.

November 15

The Drayton Valley Rotary Club recently sent a specially designed trophy to Mr. J.W. (Jesse) Hughes in appreciation of the flowers he sends to the club for distribution to shut-ins.... Figure skaters started regular practices this week.... The Centennial Hall at Alder Flats was officially opened November 3rd.... Remembrance Day services were held here Saturday with a parade to the Cardium Theatre where the service was held.

November 22

Young people who attended the student exchange visit to Chicoutimi, Quebec last summer, with their parents and friends, attended a wind-up gathering in the Scout Hall Saturday evening.... Local boxers were featured on a fight card in the Elks Hall Friday.... Members of Lions Clubs in Zone 2 met here Monday evening.... Construction of the addition to St. Anthony's School has been progressing well with the favorable weather conditions.

November 29

Drayton Valley members of the Alberta team in the Centennial Canoe Pageant were feted at the program in the Cardium Room of the Drayton Valley Hotel Monday evening.... Bud Landreth has been named president of the Drayton Valley Ski Club.... About forty residents of the town are involved in ceramics classes held several evenings each week at the home of Mrs. Bob Doig.... A road crew is working in the Keephills area and a new road south of Low Water Lake will reduce the distance to Drayton Valley by about five miles.

December 6

Members of the Community Choir under the direction of Dr. Hugh MacLure, will give their first performance of the Christmas Cantata at the Church of God December 10th.... Stettler with four wins in five starts, has taken the lead in the North Central Intermediate League.... Lawrence Feldberg of Evansburg, out on a hunting trip, met up with a black bear who didn't intend to give up the right-of-way. The bear, long overdue at finding a comfortable hibernating location, was saved the trouble of looking for one by a well placed shot.

December 13

Entwistle and Drayton Valley Chambers of Commerce named new officers at recent meetings.... Sixty-three residents of Drayton Valley and surrounding area enjoyed the third annual senior citizens supper held last week by the OOPR.... In a recent campaign for the CNIB the Lions Club raised \$719.36.... Drayton Valley 4-H Beef Club awards were presented at a meeting last week.... F.M.H.S. Warriors opened the new season with a league victory over Thorsby.

GOOD LISTENING
AND
a MERRY CHRISTMAS

Agriculturist Offers Winter Feeding Advice

If you are going to be short of feed for your beef herd, use your poorest feed early in the winter and keep the best for late winter and early spring when the nutritional requirements of pregnant cows are at their highest, advises A.J. Charnetski, district agriculturist at Sangudo.

Farmers who are short of feed but are fortunate enough to have some good quality alfalfa should consider mixing it with straw rather than feeding the hay and the straw separately. Good quality alfalfa usually has a protein content of between 14 and 16 per cent. When mixed with straw at the rate of 40 per cent hay to 60 per cent straw, the resultant feed will contain from 7 to 8 per cent crude protein, which is the level recommended by the National Research Council for wintering pregnant cows. Mr. Charnetski suggests giving each cow 25 pounds of this feed a day.

If by late winter the cows and pregnant heifers have lost weight, a few pounds of barley per head per day will pay big dividends at calving time, says Mr. Charnetski. In addition to being affected by the vitamins A, D and E, the ease with which the cows calve and the percentage of new-born calves that survive are also affected, sometimes to a high degree, by the energy from assimilated carbohydrates or the level of starch in the feed. Barley is a high energy feed and contains a higher level of total digestible nutrients than oats.

If your feed supply is so short that the cows will have to depend upon straw alone as their main source of roughage, you should give them a minimum of four pounds of barley or mixed grains per head per day during the winter feeding period.

Mr. Charnetski also stressed that vitamins are a "must" in all winter cattle feeding programs for optimum calving results. He recommends starting vitamin A supplementation in early December and giving each cow approximately 30,000 international units per day until six to eight weeks before she is due to calf. At this time, the amount should be increased to 60,000 or 70,000 units per head per day. When cattle are wintered in a shady area, or when there is a lack of sunshine during the winter months, there may be some advantage to feeding vitamin ADE, instead of vitamin A alone, because vitamin D may be lacking under these circumstances.

Since cattle seldom eat enough block salt to ensure a good daily intake of water, important in preventing constipation when animals are on dry feed for long periods, they should be provided with loose blue salt in weather-protected self-feeder boxes. Mr. Charnetski points out that this simple precautionary measure, plus the provision of plenty of drinking water that has had the chill removed but is not warm, can, and usually does, save livestock and veterinary expenses.

Regarding minerals, he says that a cow herd, being wintered mainly on hay and straw, requires a mineral that is higher in phosphorous than calcium; whereas cattle on full grain (fattening cattle) require a mineral which is higher in calcium than phos-

phorous. Roughage or hay feeds are naturally fairly high in calcium, but low in phosphorous. Grains, on the other hand, are low in calcium and fairly high in phosphorous.

A good mineral supplement for wintering a cow herd should contain not less than one part phosphorous to one part of calcium (1:1). A higher ratio of phosphorous is better. Mr. Charnetski suggests feeding the mineral supplement in loose form in weather-protected boxes located near the salt stands. The cattle can then choose which they prefer, salt or mineral, or some of each. Never mix the two together.

The best way to ensure that you have properly balanced your home-grown feeds is to submit a representative feed sample, for a protein, calcium, phosphorous and carotene, analysis to the Agricultural Soil and Feed Testing Laboratory at the University of Alberta in Edmonton.

BUCK CREEK NEWS

It is our pleasure to hear that Mrs. Haukedal, Bevin and Berra are home from hospital. We like to see all well.

Another hospitalization was necessary for Mrs. Bill Roos. Best wishes go to her. Hope you are soon able to come home. Mrs. Roos is in General Hospital, Edmonton.

Sympathy messages go to Mrs. Buster MacDonald also to Mrs. Smethstead, who lost a brother.

The ladies met at Sheila Maines home for preparations for the children's Christmas party. This time they saw a good movie and had a little sing-along. As usual the party was in the hall and the date was December 16th.

At Christmas, Michelangelo, Sir Isaac Newton, Chopin, Liszt, Cecil Rhodes, Voltaire, Walt Whitman and Henry James never bought presents for their wives. Why?

They were bachelors.

Santa rings his bell to send very best wishes for a fun-filled Holiday to all.

Proudly introducing Another Alberta Junior Citizen of the Centennial Year!

WANDA KREBS, Didsbury

Wanda Krebs, aged 14, helped her father to manage their home and six younger brothers and sisters when her mother was hospitalized. Wanda cooked, washed, kept house and looked after the family while attending school. For much of this time, Mr. Krebs was at the hospital, so the load of work fell to Wanda. She looked after three milking machines and a bulk tank and sometimes milked the cows too. Wanda also continued to sew clothes for herself as a Home Economics project. She is a third place winner in the 4-H Beef Achievement Day.

We congratulate Wanda Krebs and thank Alberta's Weekly Newspaper Editors for their active participation in the Alberta Junior Citizen of the Year program, sponsored by Alberta's investor-owned electric utility companies.

This is one of a series of Junior Citizen Award announcements. Our special thanks to Mr. N. Leatherdale, Editor of the Olds Gazette and to Wanda's nominator, Mrs. R. M. Block of Didsbury.

CALGARY POWER LTD.

Proud of our Alberta Heritage

The January Christmas

Festivities used to go on from six to 18 days after New Year's coming

Boar's head rite on old-time Twelfth Night in England.

By W. Y. FERROL

"HAPPY NEW YEAR," in one language or another, is perhaps the oldest good-fellowship greeting in the world. But it has been spoken sincerely in different months, in accordance with varying chronological calculations and religious customs.

Formerly, in Christian as well as in preceding Roman chronology, the year was deemed to begin March 25, or approximately at the Spring Solstice. Quartodecimans, one sect of early Christians, observed Christmas on the 25th of March. Their assumption of the date of Christ's Birth was based on Pilate's recorded words and acts.

Even after January 1 had become fixed as New Year in the calendar reforms effected for Catholics, Christmas was observed at later dates in Protestant countries. Observances extended for 12 days from December 16 to January 6 among some peoples. Shakespeare's play has made known everywhere associations of Twelfth Night in Old England, including feasting on wild boar's head. The boar's head ceremony, immortalized also in fiction by Charles Dickens and Washington Irving, is accounted a survival of a Norse custom—transplanted to Old England by Saxons—which required sacrificing a boar at Yuletide feasts in honor of Freyr, Scandinavian god of plenty. Festooned with holly, bay-leaves, and rosemary, it was brought from the fire to the table with ceremonial horn-playing and singing.

After 1900, communicants of the Russian Orthodox Church observed January 7 as Christmas (inasmuch as 13 days instead of 12 were calculated as the difference between their old calendar and the new or Gregorian calendar followed by others).

It should also be mentioned that in certain countries, festivities now commonly associated with Christ-

mas begin about two weeks before December 25. In The Netherlands, December 6, the calendar day of St. Nicholas, is the occasion for gifts.

* * *

IN accordance with continued prevalence of an old custom, December 12 is a day of special significance in Mexico. It commemorates the apparition in 1531 of Our Lady of Guadalupe to an Indian named Juan Diego. Many thousands make a pilgrimage to the Basilica of Guadalupe near Mexico City on this day, and take back with them reverent relics and souvenirs. The Christmas observance continues for nine days in accordance with the nine-day journey of Mary with Joseph from Nazareth to Bethlehem. (Children in some Latin American countries place hay or other fodder under their beds to attract and reward the camels of the Three Wise Men who came bearing gifts on Epiphany, or January 6.) Countless pinatas are broken—pinatas being clay figurines resembling birds or animals stuffed with fruits, nuts, candies, or cookies in festive shapes.

In the Philippines, devout Filipinos express the spirit of Christmas for 22 days, with a series of masses, pageants and festivals which begin at dawn December 16 by a pealing of church bells, heralding the first of a novena of dawn masses. Many services begin at 4 a.m., thus the name, "Misa de Gallo" (since the mass presumably starts at the first cock's crow).

The lack of ecumenical unanimity in the past is emphasized by the fact that in Bethlehem, where Christ was born, Christmas has been celebrated at three different times—by Roman Catholics December 25, those of Greek Orthodox faith on January 6, and Armenians on January 18. But gradually expressions of good will toward all men, as exemplified by Christmas, have come to center around December 25.

Merry Christmas

One of the special pleasures of Christmas is the opportunity to greet one's friends and customers — with appreciation of our cordial relations.

First Aid Classes Planned In January

The Workmen's Compensation Board has announced plans for first aid classes to be held in Drayton Valley early in the New Year.

Classes, to be held in the Legion Hall, will be held from January 3rd to 5th and 8th to 12th, commencing each evening at 7:30 p.m. There is no charge for workmen taking the classes under the conditions of the Act.

The class is limited to 80 persons and applications are now being accepted by the board.

Keep Your Christmas Tree Fire Safe

A Christmas tree should remain safe for 10 to 14 days after it has been brought into the house if the following rules are carried out, says P. D. McCalla, Supervisor of Horticulture with the Alberta Department of Agriculture.

1. Choose a fresh, green tree; not one whose needles are already turning brown.

2. Saw off the butt end of the tree at least one inch above the original cut.

3. Keep the butt standing in water during the entire time that the tree is in the house, and refill the container each day. Investigations carried out by the Forest Products Laboratory of the U.S. Forest Service in Madison, Wis., indicate that water is a better fire deterrent than fire-retardant chemicals which often do more harm than good.

4. Support the tree well, and make sure it is away from exits, fireplaces, radiators, television sets and other sources of heat.

5. Never use lighted candles or any other type of open flame on or near a Christmas tree.

6. Check electric lights and connections to make sure that the wires and cords are not worn or frayed.

7. Do not use combustible decorations or inflammable reflectors for colored lights. Keep metal foil icicles and tinsel out of bulb sockets.

8. Do not overload electric circuits, allow wrapping paper to accumulate under the tree or place electrical toys under the tree.

PUBLIC NOTICE

By the Board of Trustees of the Stony Plain School Division No. 23, of the Province of Alberta,

BY-LAW NO. 1967-1

TO AMEND BY-LAW NO. 1966-2

Whereas the Board of Trustees of the Stony Plain School Division No. 23 has passed By-Law No. 1966-2 on the 10th Day of May 1966 authorizing the borrowing of \$152,324.00 by debenture for the Entwistle School Addition of which amount \$75,000.00 has already been received;

And whereas the sum of \$41,000.00 for this project is still required, and for which sum application has been made to the Alberta Municipal Financing Corporation;

And whereas interest rates on borrowings have recently increased so that it may not be possible to borrow at 6% interest as authorized in By-Law No. 1966-2;

Therefore be it resolved that authorization be granted for interest to be charged on the said debentures at a rate not to exceed (7%) per annum.

Done and Passed this 6th Day of December, 1967.

Signed Lia Doychuk Signed F.W. Maddock
Secretary Chairman

THEREFORE, notice is hereby given by the Board of Trustees of the said School Division that unless a poll for and against the said debenture loan is demanded, as provided in The School Act, the said Board will apply to the Board of Public Utility Commissioners for authority to borrow the said sum by debentures.

Of which all persons interested are hereby notified and they are required to govern themselves accordingly.

DATED at Stony Plain, Alberta,

This 11th day of

December, 1967

F. W. MADDOCK,
Chairman

INSTRUCTIONS TO PROPRIETARY ELECTORS IN A SCHOOL DIVISION

A poll may be demanded in a School Division by a demand signed by five proprietary electors of each of at least twenty per cent of the districts in the division.

Every demand for a poll must be delivered to the Secretary of the Division or, in his absence, to the Chairman of the Board of Trustees, within Fifteen days after the date of posting or of the last publication in a newspaper of this notice. A certified copy of the demand must be forwarded forthwith to the Board of Public Utility Commissioners of Alberta, at Edmonton.

"Proprietary Elector" means an elector who is liable to assessment and taxation for school purposes in respect of any property situate in the School Division.

Mrs. Harry Zolmer (left) and Mrs. Fred Cull are shown above accepting a \$250 cheque on behalf of the Library Board from the Drayton Valley Elks Lodge. Lodge secretary, Bob Cowan (right) looks on as the presentation is made by Earl Kelly, Exalted Ruler of the lodge. The contribution by the lodge will go toward the purchase of books and is the first of a series of five such donations to be made yearly.

Stony Plain 4-H Council Annual District Meeting

CAROLINE ROSADIUK,
Correspondent.

The annual meeting of the District Council of 4-H Clubs was held at the Smithfield Hall on November 21, 1967.

Business included the election of officers for the new year, reports from representatives of each project, and discussion on inter-club activities to take place in the coming year.

Mr. Allan Shenfield reported on the purchase of the 4-H flag for camp He-Ho-Ha for crippled children. Mr. Doug Bienert, from the Department of Youth, presented us with two new ideas: First, the possibility of having a summer camp for 4-H members between the ages of 12 and 14,

when chances of major trips are low for them. Second, he expressed his wishes of starting a newsletter to which club and district reporters could send information on 4-H Club activities in their own areas.

Election results for the new executive of the Stony Plain 4-H District Council are as follows: President, John Ohnsty; Vice President, Gary Walker; Secretary-Treasurer, Shirley Hutchinson; and Reporter, Caroline Rosadiuk. The new Beef Committee consists of Mr. Gary Weber, Russell Scheideman, and Mr. Bert Hutchinson.

This year's representatives for the Edmonton Regional Council for the various projects are: Beef, Mr. Allan Shenfield and Mr. Jim Ferrier;

Clothing, Mrs. Betty Brown; Garden, to be chosen at a later date; and Field Crops, Mr. Willie Brenenstuhl.

After reports were given, discussions were held on coming inter-club activities. We will have the annual public speaking contest again this year, only with a few different levels of competition. We are also planning a curling bonspiel to be held in the spring prior to the large bonspiel held each year in the Sportex in March. The meeting was then adjourned. Members will be notified of the date of the next meeting.

Large timber and pulpwood areas are managed so that the volume cut does not exceed the forest growth.

Gymkhana Club Names New Officers

The Lariat Gymkhana Club of Drayton Valley held its annual general meeting and election of officers in the Centennial Civic Centre on Wednesday, December 13th.

The thirteen members in attendance elected Cliff Whitelock as president, and Ken Stewart as vice-president. The five adult directors chosen were Eileen Guze, Corinne Dix, Rick Meston, Walter Meston, and David Schmidt. James Eustace was chosen as junior director. Sherry Schmidt was re-elected as secretary. Olive Meston and Eileen Hoge were elected as social convenor and treasurer respectively. Frances Meraw, Patsy Hoge, and Gail Meston were elected for both publicity and as scrapbook committee.

If anyone has pictures or newspaper clippings of past gymkhana events that they would donate to the scrapbook committee or to Corinne Dix at Lloyd's Jewellery it would

Reward Offered for Information In Death of Calgary Woman

The Royal Canadian Mounted Police announced December 16th that a reward totaling \$1500 is being offered for any information leading to the conviction of the person or persons responsible for the death of Marlene Lowry whose body was found in a field out-

side of the City of Calgary on July 17, 1967.

Any information concerning this matter should be referred to the Officer Commanding, Calgary Sub-Division, Royal Canadian Mounted Police, Calgary, Alberta.

Greetings

May the happiness of the holidays be with you always.

Candlemas Eve Is Favored As Time To Remove Green

When is the right time to take down the Christmas greens? Before they become a fire hazard, is the modern belief, and that usually means soon after Christmas Day.

In earlier times, however, the question was not so easily answered.

Some people believed that Epiphany, or Twelfth Day, January 6, was the proper time for removing all Christmas decorations. Others firmly contended that the greens should remain until Candlemas, February 2.

One of those favoring the later date was, apparently, the poet Robert Herrick, who lived from 1591 to 1674. He wrote of taking down the greens in his poem, "Ceremonies for Candlemas Eve," but warned that the greens must be completely removed,

"For look how many leaves there be
Neglected there (maids, trust to me)
So many goblins you shall see."

Ray Wickens (right) is shown presenting Mayor Bob Findlay with a book of clippings and photos of Centennial activities in Drayton Valley. The presentation took place during an awards banquet in the Cardium Room last Thursday. The book is a graphic account of Drayton Valley's Centennial story. However, Mr. Wickens, would like more accounts and photos of individual Centennial projects and anyone who might be able to help round out the book is asked to contact him.

CHRISTMAS

Message

Season's Greetings from the Snell Family:

Wishing our many friends of Drayton Valley and community a blessed and joyous Christmas and the very best for the coming year.

A Christmas Meditation

We read in God's Word where the wise men came seeking the Christ child, saying, "Where is he that is born King of the Jews?".... several places throughout the scripture we find men asking similar information. Suppose this Christmas season someone came to your house and asked "Where is He?" The one whose birth we are to celebrate. The One Isa. 9:6 calls Wonderful, Counsellor, The Mighty God, The Everlasting Father, the Prince of Peace. The angel told Mary she was to call his name Jesus: for he shall save his people from their sins. Matt. 1:21 When Simeon looked upon this babe he exclaimed, "Lord, now lettest thou thy servant depart in peace, according to thy word: For mine eyes have seen thy salvation, which thou hast prepared before the face of all people;" Luke 2:29-31.

John seeth Jesus coming unto him and saith, Behold the Lamb of God, which taketh away the sin of the world. John 1:29

This One Peter is referring to in Acts 4:12 when he said, "Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved. The One Paul means in Gal. 2:20 I am crucified with Christ; nevertheless I live; yet not I, but Christ liveth in me; and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave himself for me. Again in 2 Cor. 5:10 when he writes, For we must all appear before the judgement seat of Christ; that every one may receive the things done in his body, according to that he hath done,

BURTONSVILLE NEWS

MRS. A. HOMME,
Correspondent.

Mrs. Stanley MacDougall went to the city on December 14 to visit her daughter Agnes Shepherd of Edson who is in the University Hospital. She found Agnes much improved and the roads that have been so icy, better than expected.

Stanley MacDougall got word on Monday, December 11th that his nephew, Grant MacDougall and his wife of Magnolia had been injured in a car accident when their car hit a parked vehicle between Hinton and Magnolia during the rain Saturday night. Grant was taken to the Royal Alex Hospital in Edmonton while his wife Stella is in the Edson Hospital. Their injuries have not been confirmed.

Theresa Tattersall who stays with her brother, Roy at

Spruce Grove to attend school at Stony Plain visited her mother and David over the weekend and was worried as to how she would ever get

out of this icy valley.

Rev. and Mrs. J. D.

Kennedy received a Christmas card from Henry Dostie who is now working at Inuvik, North West Territories.

Zoltan Petriko of Edmonton son-in-law of Mr. and Mrs. Axel Homme, received a message that his father of Mistatim, Saskatchewan passed away December 13th.

Uncle Dick and Auntie Til Wheadon at Whitecourt have the two little boys until their parents return.

Christmas in harsh climate is an appropriate time to quote a riddle that dates back ten or more centuries:

*A bird flew without wings.
Sat on a tree without leaves.
There came a man without hands,
Climbed up without feet,
Cooked it without fire,
Ate it without mouth.*

What is the explanation?

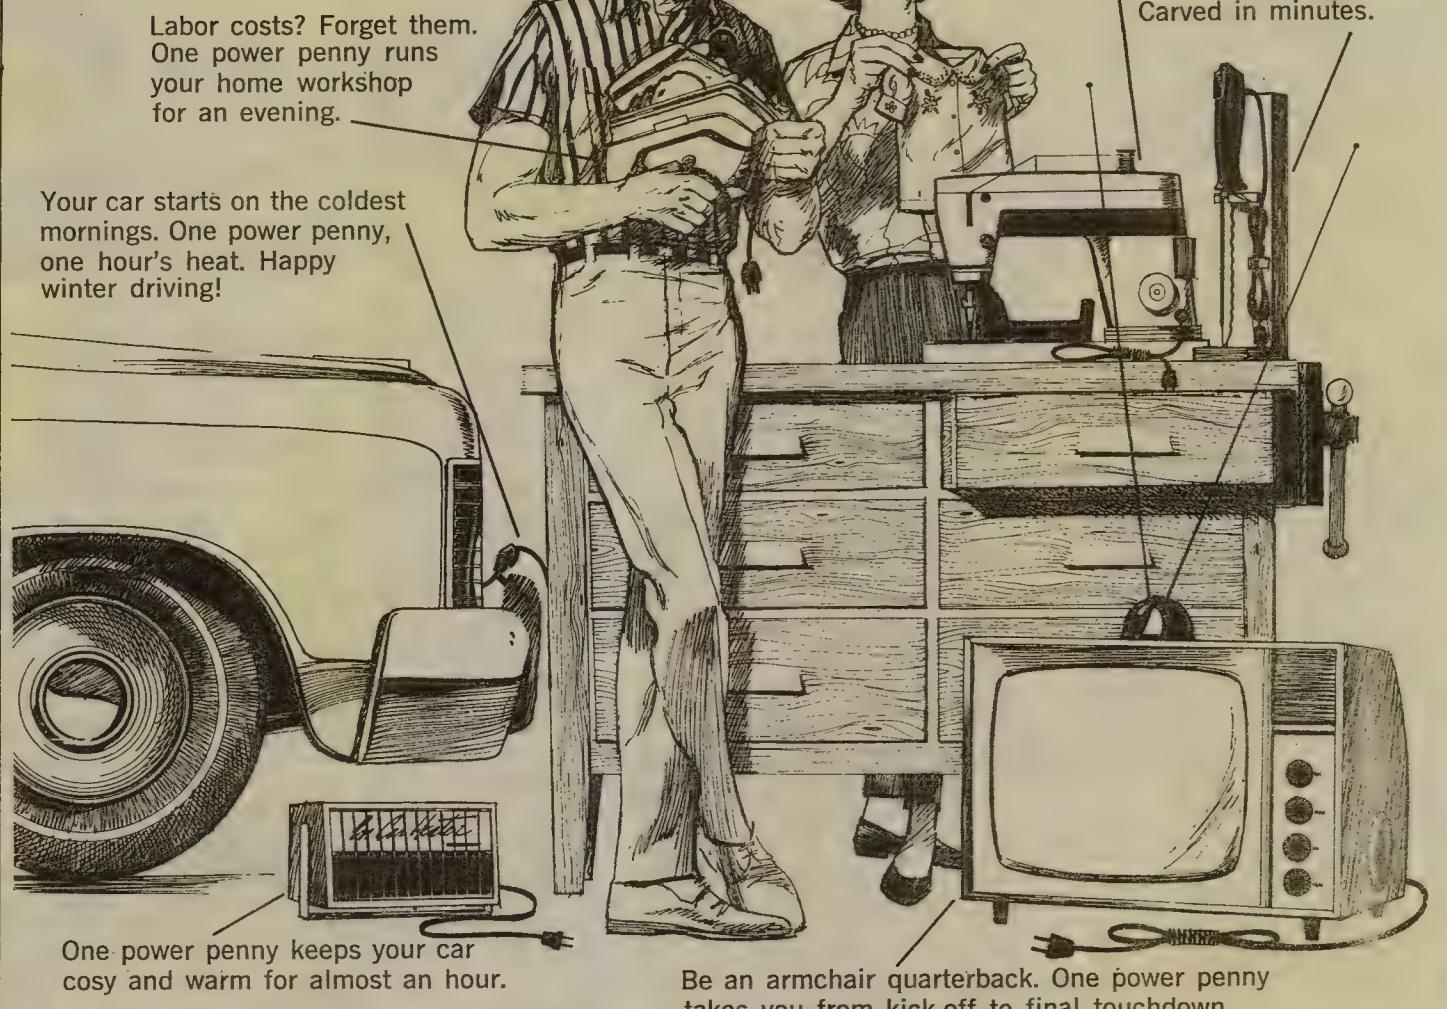

A snowflake falls out of a tree branch

"If you feel that way about this mini-dress I won't even show you my mini-bathing suit!"

This penny spends most of its time in the kitchen. (What's in it for the men?)

Plenty! Because the value of a power penny has doubled in the past 20 years, you can be free of those Saturday morning tasks. Enjoy the luxuries of electricity. Watch your favorite sports. Drive in comfort. Build your own rumpus room. One little power penny can add so much pleasure to your life.

MORE POWER TO YOUR PENNY with today's electrical living!

STONY PLAIN SCHOOL DIVISION

Summary Regular Board Meeting

A regular meeting of the Board of the Stony Plain School Division No. 23 was held in the Divisional office in Stony Plain on December 6th and 7th.

A reply was received from E.R. Daniels of the Indian Affairs Branch urging that the Divisional Board engage an Attendance Officer for the Indian Children at the Duffield Reserve and then bill his department for the expenses involved.

It was moved and carried that the secretary advise the Indian Affairs Branch that, although the Board welcomes Indian children in Stony Plain it cannot assume the responsibility of ensuring their regular attendance at school.

Mr. Wm. Woloshyn, Physical Education Teacher at Stony Plain wanted to use the town arena for hockey for about 6 weeks commencing in January of 1968. The town secretary

advised that the charge would be \$5.00 per hour for the use of the arena.

It was moved and carried that effective January 1, 1968 a grant of \$1.50 per pupil be made to the students in High School (this to include Grade IX pupils if connected with the High School) for physical education programs where facilities are not available at the school concerned.

It was moved and carried that the Pembina Valley Army Cadet Corps be authorized to use the Entwistle School for one night per week.

It was moved and carried that evening classes in Mathematics 30 be offered in Drayton Valley and that the Instructor be paid \$6.00 per hour for his services.

It was explained to the Divisional Board that last year a By-Law was passed to borrow \$152,324.00 by Debenture for the Entwistle addition of which only \$75,000.00 was received to date. Application was made for the additional \$41,000.00 required to complete the project and advice was received that the by-law must be amended to allow interest to be charged up to 7%.

Bylaw No. 1967-1 amending the bylaw covering borrowing for the Entwistle addition received three readings and was passed.

Les Young, Bargaining Agent for the Divisional Board and his assistant Gilber Hiese met briefly with the Board in preparation to meet the teachers' Bargaining Agent, C.E. Connors.

After a brief consultation with the Board Mr. Young and Mr. Hiese met with the teachers committee in a separate room.

It was reported to the Board that on November 21st Chris Konig upset his school bus. The road was very icy and, while going around a corner, he met a truck in the middle of the road. In trying to avoid the truck he skidded into a ditch. There were 5 girls and 1 boy on the bus at the time but no one was hurt. The damage to the school bus was less than \$65.00.

Mr. Toews reported that a recommendation was received from the Assistant Supervisor of Industrial Arts for additional equipment for the Seba Beach and Drayton Valley Shops. These lists were referred to Mr. F.W. Maddock and Mr. Hannochko for attention.

Mr. F. Hannochko reported to the Board on the various supplies and equipment he is purchasing for the different schools.

He advised that prior to the official opening of the Stony Plain Commercial Wing it was necessary to have the school thoroughly cleaned. Sam Hoffman, the janitor, submitted a bill for \$150 for this additional work which was approved by the Board.

Mr. Hannochko also advised that for the next meeting he would have a report on the Employee-Employer workshop recently held in Edmonton.

The Secretary-Treasurer's financial statement as at November 30th showed a total expenditure of \$1,979,946.91 for 11 months with an estimated amount of \$324,140.09 left for December.

Mr. Young and Mr. Hiese came back to the Board room after meeting with the teachers' committee. Mr. Young explained that the teachers are now raising nine dif-

ferent points of disagreement and do not seem to be willing to negotiate. Mr. Young was instructed to advise the teachers that if they are not prepared to concede on any of the points there is no object in continuing negotiations.

It was moved and carried that if conciliation is necessary in salary negotiations Messrs. F.W. Maddock, E.R. Lewis, F. Hannochko and A.W. Boychuk be authorized to act as a salary negotiating committee.

After another meeting with the A.T.A. Bargaining Agent Mr. Young reported that it seemed unlikely that an agreement can be reached in the near future. However Mr. Connors would like to meet with the Board or a committee to discuss certain points. The rest of the Board members agreed to retire and allow the negotiating committee to meet with the A.T.A. Bargaining Agent.

Mr. Connors interviewed the committee briefly and outlined the teachers position.

The committee advised Mr. Connors that the Board will be applying for a Conciliation Commissioner.

The matter of the proposed Regional High School in conjunction with the Edson School Division was again brought up for discussion.

It was moved and carried that the report of the committee on the proposed Regional High School be accepted and that the committee proceed with the necessary organization; further that the Stony Plain School Division pay half the cost of the options taken and any other necessary expenditures involved; and further that the choice of site be left to an impartial body upon

the advice of a neutral engineering firm, the Division of Administration of the Department of Education and the Minister of Education.

The Board was advised that notice has been received from the Alberta Assessment Equalization Board showing the following changes in Equalized assessments for 1967.

(a) Summer Village of Point Alison - reduced from \$94,- 197.00 to \$72,946.00.

(b) Summer Village of Seba Beach - reduced from \$628,- 766.00 to \$470,737.00.

The above reduces the supplementary requisition for 1967 by \$717.12.

The principal of the Drayton Valley Junior High School

requested an intercommunicating system. This system could be acquired on a purchase rental system at \$160 per year for ten years.

It was moved and carried that Mr. Henry Toews and Mr. F. Hannochko be authorized to spend up to \$12,000 on installation of intercommunication systems in the following schools: Winterburn; Stony Plain Elementary; Stony Plain; Spruce Grove; Stony Plain Junior High; Seba Beach; Entwistle; Drayton Valley Junior High; Drayton Valley Elementary; and Frank Maddock High School.

The first man to climb the 14,780 foot high Matterhorn was Edward Shymper in 1865.

Lutheran Ladies Hold Meeting

Emmaus Lutheran Ladies Aid held their regular meeting on December 14, 1967 in the church basement.

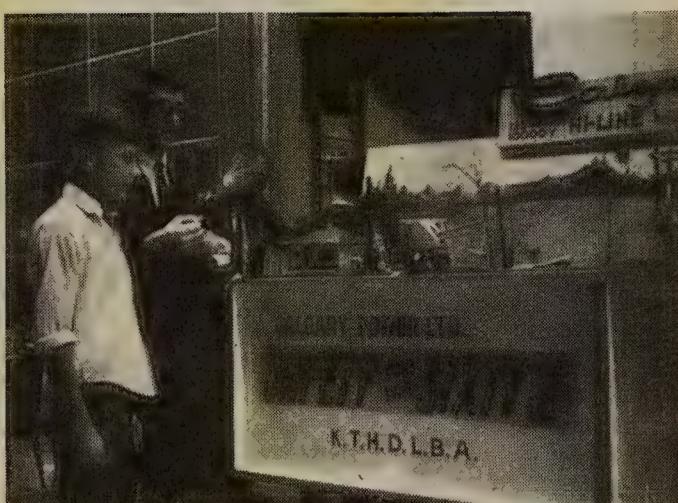

The book, "Children of the Bible" was selected to be purchased for the Church Library.

Used clothing was taken to Carousel Cleaners in Edmonton for free of charge dry cleaning and then given to the Salvation Army.

The Community Christmas Choir Concert under the direction of Dr. H. MacLure will sing at Emmaus Lutheran Church at 8 p.m. on December 20th. The congregation and choir are invited to stay for coffee and cookies after the concert.

A \$10 gift was forwarded to the Concordia College Guild for use in the school chapel.

After the meeting was adjourned the ladies packed Christmas bags to be given to the children after the Children's Christmas Service.

Safety Program At St. Anthony's

Mr. H.A. Cameron, the Public Safety Representative for Calgary Power Ltd. from Calgary, and Mr. G. Hay, the District Manager for Drayton Valley, presented a talk, film and demonstration at St. Anthony's School Friday morning.

The extremely informative three hour presentation included a working model which had power up to 10,000 volts. This model was used to illustrate various types of

electrical accidents and dangers.

Included in the demonstration was a film depicting mouth-to-mouth resuscitation. The students observed Mr. Cameron demonstrate on a dummy and then some students and teachers practiced with the dummy.

Mr. Cameron visited a number of schools in our area last week, and advises that the safety talk is available to all groups.

Regional 4-H Council Meets

CAROLINE ROSADIUK
Correspondent.

The Edmonton Regional 4-H Council met in the Sportex Building on the Edmonton Exhibition Grounds on Monday evening December 4, 1967. The chairman was Mr. Allan Shenfield and the Secretary-Treasurer, Miss Karen Walker.

Of the many worthwhile projects to be undertaken this year by our council, several were discussed. The Council decided to sponsor a child at the Crippled Children's camp, He-Ho-Ha. It will take \$85 a week to sponsor this child in a world of fun and relaxation

with the constant supervision of its well-trained staff. The 4-H will also help in putting on and sponsoring an Amateur Tap Dance evening, a charity show, in the Jubilee Auditorium during the Easter holiday season. Another activity planned is the Public Speaking competition to be held on April 26th at Wetaskiwin.

Other business discussed was the choosing of a nominating committee to decide candidates for the new executive of the Edmonton Regional Council, discussing the showmanship trophy awarded each year and the steak barbecue to be held again this year.

Sundance Club Meets

TERRY BENTLEY
Correspondent.

The Sundance 4-H Beef Club held its regular monthly meeting on December 11th with 12 regular members and six Pee Wee members present. The meeting took place in the Seba Beach School Auditorium.

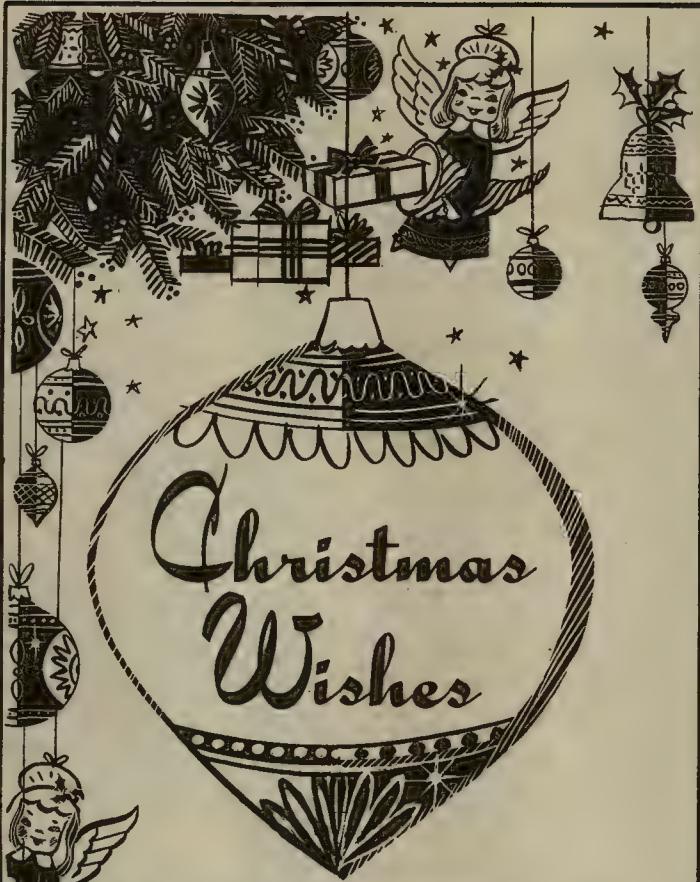

We were pleased to welcome the leaders and members of Duffield Beef Club who were our guests for the evening. The meeting opened with the pledge followed by grace and roll call.

A discussion was held on a Christmas project to sponsor a "Santa Clause" and money for candy bags which Santa distributes to the children. Also discussed was the Public Speaking contest held at Spruce Grove last March. It was decided to send only the member placing first in each club, instead of first and second as in previous years.

Mr. Pete Harris resigned and Mr. Johnston was elected to fill the position left open. 4-H gate signs and crests were given out.

After the business meeting Sundance challenged Duffield to Volleyball and table tennis, everyone had a good time, and we congratulated Duffield on their sportsmanship. To end the evening the members challenged the leaders to a volleyball match which was enjoyed. Lunch was served.

The next regular meeting will be on January 4th in the Sundance Hall at 8 p.m. sharp.

The tree is trimmed, the presents are here

MRS. E. OLIVER,
Correspondent.

The Entwistle Community League are holding their monthly Bingo December 21st at 8 p.m. The prizes will be half turkeys and half cash. Jack Pot \$170 in 56 calls.

The firemen are busy making ice on the skating rink.

The Senior Citizen's supper will be in the Elks Hall on December 27th starting at 4:30 p.m. It is for all citizens over the age of 65 years and who get their mail in Entwistle. A program will be presented with treats for all.

Congratulations go out to the following: To Mr. and Mrs. Stan McArthur on the recent birth of a son, and to Mr. and Mrs. Edward Robinson on the birth of a daughter. Mrs. Robinson is the former Linda Boles. The babies were both born in the Drayton Valley Hospital.

On December 8th the Entwistle School Students Union held a very successful Pot Luck Supper in the hall. A very good turnout was present and everyone seemed to enjoy it very much. Much of the credit goes to Mr. Smith with the older children helping.

The Entwistle school children had a fire drill on Monday, December 11th which was conducted in the proper manner. It was witnessed by some of the Fire Department heads.

Grant and Stella McDougall having met with an accident on Sunday, December 10th, were remembered with a gift from the firemen. It is hoped they will soon be better and able to be back home amongst us all.

Donna Kidner had the misfortune of breaking her arm recently.

CHRISTMAS Message

How I love to reflect on that ancient happening. It's an old story--an expectant mother making an uncomfortable trip to Bethlehem because the emperor wanted tax money, the stable, the Babe, the stars, the shepherds, and the angels.

But what, after all is Christmas? All of us have many thoughts--sentimental and other memories that we keep locked up in the inner chamber of our hearts which we call forth afresh each Christmas season. And how we look forward to the gaiety and festivities of the Christmas holidays, to the community decorations, the services the wrappings, the gifts, and the family gatherings. But again, can we reduce Christmas to one simple meaning? Does it have any one particular significance for we who live in the perilous latter days of the 20th century?

There is a book which some are wont to call the Holy Scriptures of God in which Isaiah the prophet said: "Behold, a virgin shall conceive and bear a Son and shall call his name Immanuel." Those words came to pass when Mary by the power of the Holy Spirit conceived and brought forth a son, placed Him in Bethlehem's manger, and called His name Jesus. Unto the shepherds, as unto all the world, the heavenly choir of angels sang: "Glory to God in the highest, and on earth peace, good will toward men."

And so if I were to reduce Christmas to one single meaning, I would say that it means God's peace to men. This has little to do with what the nations of the world might call peace. Rather God's peace means that God out of love without any merit on our part gave His only Son into this life and to go the way of the cross that we, should we be moved by the Holy Spirit to believe in Him, might have the remission of our sin. The remission of our sin--that is God's peace to men, and that is the meaning of Christmas.

But God's peace is not something that all men auto-

matically have. "Many are called, but few are chosen" the Saviour said. The majority will join the Christmas festivities not knowing and not having the peace of God. Several people from our communities have departed this life since Christmas 1966 not having this peace of God. And how many infants have been born into this world in the past 365 days, again in our communities, and presently stand outside of the peace of God not having been born again of the water and the Word.

We are given the peace of God and come to have peace with God only when we are moved by the Holy Spirit to heed the call of John: "Repent, and be baptized for the remission of your sins." When we come to accept Jesus Christ as our personal Saviour, and when we willingly place our lives, body, soul, and possessions, into the hands of Him who died that we might live.

Christmas then comes to be an occasion when we are summoned, by the grace of God, to Bethlehem's manger and again given opportunity to behold Him who was conceived by the Holy Spirit and born of the virgin Mary--the Prince of Peace. If such is your thought and understanding of Christmas, then blessed are you. For it is of you that the Saviour spoke: "My sheep hear my voice, and I know them, and they follow me; and I give them eternal life, and they shall never perish, and no one shall snatch them out of My hand."

GALEN F. DRAWBAUGH
Pastor, Emmaus-Immanuel
Lutheran Parish.

Some of the members of the Drayton Valley and District Centennial Committee who received Provincial Government Centennial Citations at a banquet in the Cardium Room last Thursday are shown above. From left to right: Fred Raven, Jack Bright, Rudolph Zander, Mary Kublik, Howard Pickup, Tim Joyce, Ray Wickens and Ralph Jespersen, M.L.A., who made the presentation.

EVANSBURG

Latest talk of the district lately has been the very slippery roads that we have been blessed with. These roads even kept the school children home for a couple of days. But back in school they are now and the junior and high school students are looking (?) forward to Christmas exams.

Back to school, too and all over being sick and confined to his home, is young Kenneth Mazepa.

The FUA held their annual meeting and supper at the Kreminiuk home. There were about 25 people present and after election of officers a lively discussion on farm problems took place. There was also discussion on the possibility of starting a Junior FUA group. The new officers elected were President, Mr. P. Kreminiuk; Vice President, Mr. John Mazeppa, Secretary-Treasurer, Mrs. B. Tucker. The 4-H Club members

have been busy cutting Christmas trees for sale to other clubs near the city. A slight accident to Mr. Mazeppa's car occurred on one of these excursions when he put a root through the speedometer cable of it while travelling over rough ground.

Slippery roads kept Mr. Mazeppa from attending the FUA convention in Edmonton, but slippery roads did not keep Mrs. Mazeppa and myself from attending the annual Agricultural Societies convention held on December 15.

The Agricultural Society held their annual meeting on the 13th but this was changed to just a regular directors' meeting when not enough members turned up because of the road conditions. The annual meeting has been postponed until January 11th.

The United Church Sunday School Class held their Christmas program on the evening of the 13th. The children did very well and much credit is due the Sunday School teachers who have so much patience with the young children.

The Scouts have been planning a fishing trip for some time now but something always seems to interfere.

The Evansburg High School will hold a New Year's Eve Dance featuring "Why Us?" in the Evansburg Legion Hall on December 31st from 11:00 p.m. to 2:00 a.m.

Well, since this will be the last news before Christmas, I take this opportunity to wish everyone the best of the holiday season. Merry Christmas everyone.

ALDER FLATS NEWS

BERNICE JOHNSON
Correspondent

A large number of relatives, friends and neighbors called at the home of Mr. and Mrs. Albert Kellgren, on Saturday, December 2nd, to extend congratulations and good wishes on the occasion of their 25th wedding anniversary. Guests came from far and near

signing the guest book, which was in charge of Mrs. Fred Binning (sister-in-law of the bride).

The bride of 25 years ago was charming in a blue embossed cotton dress, with a corsage of pink sweetheart roses, a gift from their children. The bridesmaid at the wedding in 1942, Mrs. Keith Hand (nee Beth Damant) cousin of the bride; and the best man, Floyd Johnson, friend of the groom, were both present for the anniversary celebration

A lovely anniversary cake was baked and decorated by their daughter-in-law Sharon, Mrs. Arnold Kellgren. Thyre Kellgren, Gayle Harrison and Rita Majeau shared honors at serving the refreshments.

Mr. and Mrs. Kellgren were presented with many lovely gifts, money and cards. Their children presented them with a lovely bouquet of flowers, a set of stainless steel cookware and a silver tray, engraved with their names.

In the evening a dance was held at the Alder Flats community hall, at which time a purse of money was presented to them.

The honored couple responded with gracious thanks for the gifts and the honor accorded them on the happy occasion.

Albert and Ivy were married in Lacombe and with the exception of two years at Winfield, they have resided the other 23 years at Alder Flats. Mr. and Mrs. Kellgren have five children, Arnold, Viego, Dwight, Thyre and Arvid, all except Viego were home for the anniversary celebration.

Guests from out of town were Mrs. Binning (Ivy's mother), Mr. and Mrs. Fred Binning and girls, Mr. and Mrs. Jack Wallace, Mr. and Mrs. John Hug, Mr. and Mrs. Keith Hand and Tom Damant, all from Lacombe; Mr. and Mrs. Roy Pye, Mrs. Proudley and Mr. and Mrs. Lloyd Sundberg from Wetaskiwin; Mr. and Mrs. Wes Fair (Mrs. Fair was Ivy's last school teacher) of Alix, Mr. and Mrs. John Ebeling of Olds; Mr. and Mrs. Jack Hogg of Elnora, and Mr. and Mrs. John Johnson of Huxley; Floyd Johnson of Calgary and Rita Majeau of Gunn.

The Alder Flats senior hockey team played Winfield Saturday evening, with a final score of 5-4 in favor of Winfield.

Sympathy of the community is extended to Mr. and Mrs. Richard Russel and Ward, on the passing of Wendy.

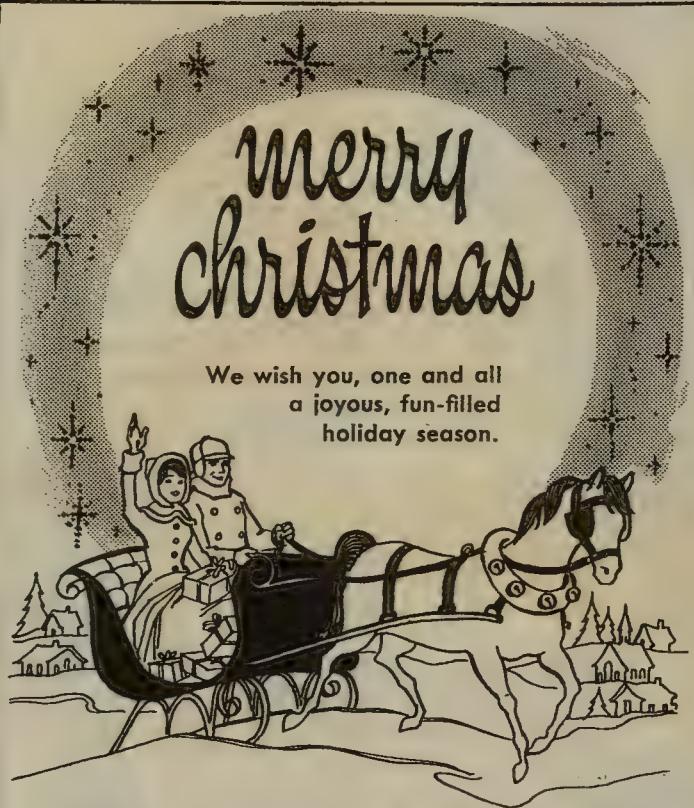

Cascade Drilling have moved onto the Victor Maciborsky farm. Jim Chapchuk is one of the drillers employed with them

As I will not be in Drayton Valley for Christmas, I would like to take this opportunity to extend to my friends and relatives

BERRYMOOR NEWS

MRS. D. MARTIN
Correspondent.

Sincere sympathy is extended to Mrs. Olive Thatcher whose step-father, Mr. Shaw of Seba Beach, passed away very suddenly.

The extremely icy roads of the past week or so, are a matter of concern for everyone who has to drive on them. A number of minor accidents took place, but nothing of a serious nature was reported. That this is so, is a credit to all the drivers concerned. The fresh gravel that has been put on in the Berrymoor area has helped immensely.

On Wednesday, December 13th the Berrymoor Three B's Club held their annual Christmas party for all the pre-school children of the district. This happy event was held at the home of Mrs. Ann Van Ember and was climaxed by the appearance of Santa Claus. Nice work Lil.

David Laughlin has been on the sick list but is up and around once again.

The Berrymoor Pentecostal Church will hold their Christmas concert on the evening of Friday, December 22nd at the Berrymoor Church.

Quite a number of folks gathered at the home of Mrs. H. Barrett on Saturday evening to watch films on religious subjects being shown by

CHRISTMAS Message

STAR-GAZING or SHEEP WATCHING

Bethlehem is not far from Jerusalem, actually or symbolically. A map shows Bethlehem to be only about five miles S. W. of Jerusalem. The Bible shows that the "Lamb of God" born in Bethlehem was not far from the "Place of sacrifice" in Jerusalem.

The first human witnesses of the incarnation were sheep-watchers. Those young men spent much of their time watching the helpless becoming ready for slaughter in sacrifice. Yes, they even had their part in sacrificing some of their own need of redemption. Did they realize the

Mr. E. Knopp of Warburg. These films are shown regularly on Saturday evenings at Mrs. Barrett's home and anyone is welcome to attend.

On Saturday, Mr. H. Hildebrand and a group of his neighbors moved the Malaine house over to where Hildebrands live. The fresh snow made things a bit slippery but the whole venture was completed without any mishaps.

sheep-watching they were doing in the stable where Jesus lay?

Jesus, in His public ministry saw us all as sheep. Isaiah, centuries earlier had said, "All we like sheep have gone astray; we have turned everyone to his own way, and the Lord had laid on Him the iniquity of us all." So, you see, we are sheep-watchers too.

Some are watching their lambs become sheep only in preparation for slaughter--the slaughter of warfare instead of further peace on earth, good will....; some to the slaughter of highway carnage, or even slaughter at the hands of a lust maniac--but these are only physical dilemmas, and Isaiah didn't mean that.

In large slaughter-houses a "Judas-goat" is used, having been trained, to lead the sheep into the pen where they are killed. Some are not simply watching the lambs become slaughter victims but are actually leading them to the slaughter. They are human "Judas-goats." This is not always done by doing the wrong but more often by neglecting the right, as Isaiah put it, "We have turned every everyone to his own way."

Where's the Christmas message here? Bethlehem is very close to Jerusalem, and Calvary. When we think of Christmas, and tell our lambs about it, let's not forget, we are watching them become sheep for good, or ill.

When the shepherds had heard and seen (Luke 2:11, 16) they went and told those at the place of slaughter (Luke 2:17), "Unto you is born this day in the city of David a Savior, who is Christ the Lord."

That reminds us of Isaiah's words telling us of the purpose of Christmas, "The Lord hath laid on Him the iniquity of us all." When we think of Christmas we cannot forget Calvary where "He went as a lamb to the slaughter" for you and me.

REV. ELBERT R. CEARFOSS,
Pastor, Calvary Baptist Church

Golf, the popular game of millions, has an early history of interfering with duty. During the 15th Century in Scotland, parliament issued three decrees urging the "golfe" to be abolished in favor of archery, then essential in defending the nation. These efforts to suppress the game were unsuccessful, however, for the Scots kept swatting,

Bay Announces Contest Winners

Winners of The Bay coloring contest were announced Tuesday by Mr. Ken Retallack, manager of the store. The contest started with the opening of Toyland in November when children obtained the pictures to color.

Winners were as follows:
3-6 age group: Bruce Gawalko, age 5; Duane Gillis, age 4; Cheryl Reid, age 5; Lorie Gawalko, age 3.
6-8 age group: Kathy Meyer, age 7; Ronald Meyer, age 8; and Terry Sjoberg, age 8.
9-12 age group: Brian Telford, age 11; Debbie Reid, age 12; Brenda Harris, age 10.

Busy Month For 4-H Club

ZANE BRUNER
Reporter.

The Pembina 4-H Field Crops Club and the Lobstick 4-H Beef Clubs have had a busy month. On November 26th some of the members and the leaders went on a calf tagging tour and almost all the club calves were tagged and measured. On December 2nd, some of the members and adults went out to cut Christmas trees which are being sold by a club from Namao.

The members again went out to cut trees on the 9th of December. These trees were sold to the Spruce Grove Club.

The two clubs held their December meeting at the home of Mr. and Mrs. B. Hutchinson on the 8th of the month. There were 19 members and 8 adults present. There were also leaders and members from the Entwistle Sewing Club who had come to discuss our Christmas program. It was decided to hold the party on the 22nd of December.

We also discussed a tour of the Wabamun Power plant that will be held on December 29. During this meeting we got a phone call from Spruce Grove saying they would like us to cut 200 Christmas trees. We cut these on the 9th. The money from the sale of these trees will be used for club activities.

The meeting was adjourned and lunch was served.

December 10--Mrs. John Stone (Rose), Evansburg - Girl - 6 lbs. 10 ozs.
December 11--Mrs. Jim Wruck (Betty), Drayton Valley - Boy - 7 lbs. 11 1/4 ozs.
December 11--Mrs. Alister Anderson (Mable), Lindale - Boy - 7 lbs. 10 1/2 ozs.
December 13--Mrs. Iver Ellis (Christene), Breton - Boy - 5 lbs. 10 1/4 ozs.

The winner of this week's heaviest baby contest is Mrs. Jim Wruck of Drayton Valley. Her boy weighed 7 lbs. 11 1/4 ozs. Mrs. Wruck may pick up her baby spoon at:

DRAYTON VALLEY, ALBERTA

Drayton Valley Hotel team, the Pee Wee All Star squad was forced to drop from the Bantam league because of the difference in weight and age. The Hotel team will play teams from other centers on an exhibition basis this season and possibly enter the Provincial Playdowns.

The Drayton Valley Pee Wee League also features three teams, the Rotarians, the Lions and the Centennial Seals. The season schedule is just well underway with some pretty close scores and some fine games being played to date.

In the Mite League things are really going strong with four teams going at it twice a week on Wednesday and Friday evenings. The teams playing in this league are Swannee's, J & A Trucking, Flint, and Hi-West. Like the Pee Wee league the teams seem to be well balanced and most games are close scoring contests.

All in all we are very satisfied with our Minor Hockey program to date and we look forward to a fine season after the Christmas Holidays.

Rebels Lose In Camrose

The Drayton Valley Rebels dropped a 10-7 decision to the Camrose Maroons in a game played in Camrose last Saturday night. At one time the Maroons held a 8-1 edge but the Rebs came back with a big third period to make it close in the later part of the game.

Frank Novosel led the Drayton scorers with three goals and two assists. Novosel is presently among the leading scorers in the North Central League.

The Midgets, under the direction of Orest Haydey are in the Hi-Way 16 Midget Hockey League. The Clippers dropped an exhibition game to Whitecourt 8-2 but got off on the right foot with a 13-1 victory over Gainford in the league opener last Saturday night.

The Drayton Valley and District Bantam League is going very well with the Tomahawk Totems presently leading the league with the Drayton Valley Elks and L.B. Motors in hot pursuit. The

Rebels Edge League Leaders

The Drayton Valley Rebels came on strong last Sunday afternoon to defeat the Stettler Imperials 6-5 at the Centennial Civic Centre in a regular scheduled N.C.A.I.H.L. game before 273 fans. The Rebels outplayed the Imperials and outshot them 44-25.

The Rebels trailed 3-2 after the first period of play and were ahead 4-3 after two sessions. Play speeded up in the third period featuring rushes from one end of the rink to the other with the Rebels maintaining a good territorial advantage.

The Imperials broke loose and scored twice in 17 seconds to take the lead 5-4, however, the Rebels put on tremendous pressure after the ten minute mark in the period, scored the

tying goal at 12:10 and Dave Boulter's marker proved to be the winner at 17:35.

The Imperials fought back desperately in the face of defeat but it was the Rebels day as the final whistle sounded.

This was a tremendous victory for the Rebels. In defeating the cream of the crop in the North Central League they proved beyond the shadow of a doubt that they are very much at home in this league. The Rebels got off to a slow start this season but they are gaining momentum every game and it would be a good bet that the Green and White team will be one of the powers in this circuit before the season runs out.

The next home game for the Rebels is on Thursday, December 28th when they host the Wetaskiwin Colonels at the Civic Centre.

LIKE TO GET OUT
AND DO THINGS?

SKI-DOOERS DO

You and your family can get the best out of bright winter days by joining the trend of getting out and SKI-DOOING things. Each year hundreds of families find the key that unlocks the door to wonderful winter fun and frolic — and this year is no exception. The all-new dynamic 1968 SKI-DOO is waiting to take you and your family through a winter season of healthy, happy sport. So don't be envious of other SKI-DOOING families — this winter join the "IN" crowd who are out in SKI-DOOS. Let winter be wonderful for your family and you — in a SKI-DOO.
